Our direct billing arrangements can also ease the time and upfront expense at select providers.

International Emergency Care. When you're away from home and a medical emergency occurs, you may not be able to wait for regular business hours. With our on-site medical staff, you have 24-hour access to highly qualified coordinators of emergency medical services and international treatment.

WHY PATRIOT TRAVEL?

International travel can quickly turn into a frightening situation if you're not prepared for a medical emergency. Most travelers assume they will be covered by their standard medical plan, but that isn't the case. While traditional plans may offer adequate domestic coverage, they are not designed for international travel. Without even realizing it, you may be putting your health at risk.

Don't let your medical coverage be an uncertainty. Travel with one of IMG's two Patriot Travel Medical Insurance® plans so you can spend more time enjoying your international experience and less time worrying about medical coverage.

- Patriot International® provides coverage for U.S. citizens traveling outside of the U.S., with coverage for brief returns to the U.S.
- Patriot America® provides coverage for non-U.S. citizens traveling outside of their home country.

Both plans are available for individuals, families and groups for a minimum of five days up to a maximum of two years, and offer a complete package of international benefits.
